Division of Workers' Compensation opens registration for its 14th annual educational conference

The California Division of Workers' Compensation (DWC) is proud to announce that registration for its 14th annual educational conference is now open. The conference will take place Feb. 21-22, 2007 at the Los Angeles Sheraton Gateway Hotel and Mar. 5-6, 2007 at the Oakland Marriott City Center Hotel. Attendee and exhibitor registration forms may be downloaded from the conference Web site at

http://www.dir.ca.gov/DWC/educonf14/DWC_EducationalConference.html. Conference updates, including scheduled topics, will also be posted on the site.

This annual event constitutes the largest workers' compensation training in the state and allows claims administrators, medical providers, attorneys, rehabilitation counselors and others in the workers' compensation community to learn firsthand about the most recent developments in the system as well as ongoing programs. The conference is also certified for continuing education credits by attorney, doctor, rehabilitation counselor, case manager and claims adjuster organizations.

The 2006 conference completely sold out, with 800 registrants and 50 exhibitors at each location, so the DWC encourages attendees and exhibitors to register early.
